

The Children's Wish  
Foundation of Canada

November 19, 2013

Ms. Lucy Wayne  
650 Kingston Road, PO BOX 18214  
Pickering, ON L1V 0B8

Dear Ms. Wayne,

Thank you for supporting The Children's Wish Foundation of Canada and helping to grant children coping with a life threatening illness their most heartfelt wish.

***Atlantic Van Lines' recent donation to Children's Wish is your way of holding the hand of a little boy or girl fighting the biggest battle of their life.***

The anticipation, excitement and joy leading up to the wish provides the child a welcome break from their daily regimen of hospitals, doctors and treatments. Since Children's Wish began in 1984, more than 20,000 wishes have been granted and have provided the families and children the magic of a wish.

Without your support, Children's Wish would not be able to grant over 1,000 wishes each year. Please know that your gift has come at a critically important time in our wish granting history and will go a long way in helping us continue our mission of bringing dreams to life for our wish children.

On behalf of our children, their families and all of us involved with Children's Wish, I extend a heartfelt thank you for your kind and significant gift in helping to bring magic into the life of our very special children.

With every best wish,

Sandra Harris  
Director, Ontario Region
